Re: United States v. Camara Brooks
07 Cr. 565 (NRB)

Dear Judge Buchwald:

I write in the above captioned case to request an adjournment of the conference scheduled for September 17, 2007 at 3:00 p.m.

The Government and the defense are currently involved in plea negotiations. The parties expect that the matter will be resolved with a non-trial disposition. For this reason, the defense requests an additional two weeks for review between defense counsel and Mr. Brooks.

I ask that the conference be adjourned until October 3, 2007 at 3 p.m.

I have spoken to Assistant United States Attorney John Zach, and he does not object to this request.

Respectfully submitted,

Jennifer L. Brown
